The World Through Rosin-Colored Glasses

"My view of history was that billions of people who lived and suffered and died were no more than extras in a Jewish drama, and that human experience was really Jewish experience. I came to believe that the anti-Semites were right, except in the reverse; that the Jews did secretly control the world, but benevolently. How else to explain the Holocaust if not as evil trying to destroy the source of all good? I was ready to concede that there were decent people who weren't Jews, but decent peoples? Only the Jews."

—Yossi Klein Halevi, author of 'Memoirs of a Jewish Extremist.'

Pardon the French here, but damn, sometimes I hate being right…

Years ago I predicted it, to the guffaws of many in my circle, and particularly the ones absolutely convinced that the Vatican (rather than Jewish interests) is the REAL power behind all the shadowy world events we see taking place today.

My prediction was (and remains) that when the Jewish state and her supporters finally get what they want viz-a-viz the destruction of the Islamic world and it comes time for someone to answer for it that she will leave the bill for all the mayhem and suffering at the stoop of the Christian world.

It only makes sense that she would…Think about it–WWIII, truly the "war to end all wars", pitting the world's 1.5 billion (+) Christians against the world's 1.5 billion (+) Muslims, all engineered by Israel through various false flag attacks such as 9/11, helped along by various 5th-column agents and mouthpieces in the western media leading to the collapse of the US (and then the world's) economy and yet SHE is going to be the one catching the hell for it?

Put poetically , *'No way, Jose', it just doesn't work that way…*

After all, it is the motto of Israel's intelligence/blackmail/assassination agency Mossad that *"By way of deception thou shalt do war."* Why take the blame for a crime you commit when you can pin it on one of your enemies? And yes, Virginia, the Jews view Christians (as well as everyone else) as their enemies. Always have, always will.

That's how it is with the Chosenites. Rather than them paying the piper for their deeds, someone else becomes the fall guy, and I don't mean just since '48 with the creation of the Jewish state. This is a deeply-entrenched nervous tick they and their ancestors have possessed going all the way back to before the days of Moses, where "the most persecuted people in history"–rather than fessing up to their personal wrongdoings and making genuine restitution–had their sins "forgiven" by taking hold of an innocent animal such as a goat, sheep or cow, laying hands on it (thereby "transferring" the peoples' sins onto the animal) and then killing it so that the sin is "killed off" along with the slain animal. Having killed the bull, sheep or goat, the Chosenites then "escape" God's wrath, hence the name "scapegoating".

And that is exactly what the Jewish state and her supporters are planning to do with the present war on the Islamic world and inevitable catastrophic aftermath. In the end, it will be those maniacal, bloodthirsty Christians responsible for drenching the planet in blood and causing the world's economy to come crashing down like the Twin Towers on 9/11. In the meantime, having "transferred" the sins from Jewish interests to the Christian community, those responsible for bringing it all about from behind the scenes will be setting themselves up as an economic powerhouse in providing the much-needed capital in rebuilding the recently-destroyed world, using as their base of operations some non-Christian country such as India that–coincidentally, I'm sure–Israel has been playing footsies with a lot lately.

Don't get me wrong–The "Christian" world deserves everything coming her way. What goes around comes around and you reap what you sow. She willingly got into bed with the devil by letting this beast out of its cage and loosing it on the world a century ago and now, having gotten pregnant with his baby (meaning all the war, bloodshed and suffering she has brought into the world for Israel's sake) she deserves the excruciating labor she's about to endure. She had 2,000 years to figure out these people were dangerous and yet like some foolish girl away from mom and dad for the first time who goes to a frat party and gets gang-banged by 20 guys, she's got no one to blame but herself.

This is not to say the Jewish state and her designated scapegoat artists are in full-blown blame mode just yet. After all they still have plenty more war to make and don't want to frighten off their Christian mercenaries too soon.

But they are laying the groundwork nonetheless. The move in that direction began a few years ago when the blame for the destruction of Iraq and Afghanistan was placed on "Big Oil" rather than Israel. The fact that such discussion was allowed to take place within the "alternative media" (and helped along by creatures such as Michael Moore without a mention of Israel) is proof positive that this is the big enchilada they are planning for the end of this apocalyptic venture.

Now, we have a new twist being added to the tapestry that no doubt will be augmented in the years to come, and from no less than Hanna Rosin, contributing editor for a whole slew of pro-Israel publications including The Atlantic Magazine, the New Republic and others. Born in Israel, she is a died-in-the-wool/solid-gold Zionista who pulls out all the stops when it comes to protecting "home sweet home", including defending (or outright denying) the various massacres her cousins have perpetrated in the region as well as vociferously waging a disinfo campaign in hiding/excusing raw Jewish power in political circles.

As of late Mz Rosin has "made her bones" as a writer (I use that term loosely) pontificating on what horrible creatures Christians are while at the same time making clear her preference for all things Jewish. Her most recent piece appearing in The Atlantic entitled *"Did Christianity Cause the Crash?"* is quite telling as to where all this is going.

The "crash" she is of course referring to here is the economic house of cards tumbling down at terminal velocity in America. In her piece she center-stages a handful of "prosperity Gospel" churches as the main culprits as to why America's economy is only barely alive and on life-support.

After reading the title, the first thought any sane person must entertain is that she obviously dipped into the Mogen David a little too heavily before sitting down to write this. Has she not heard the latest breaking news involving characters such as Bernie Madoff or the fact that the financial/banking institutions in both America and throughout the West are held by Jews and not Christians?" I mean, after all, names such as Goldman Sachs, Lehman Brothers, Ben Shalom Bernanke et al are not likely the kind you'll run into at some get-together of Irish Catholics.

The other obvious reaction that one in his or her right mind must experience when considering the title of this piece is the blatant sense of hypocrisy surrounding it. If some daring soul posed the perfectly-apropos question "Did Judaism Case The Crash?" (pointing out that "despoiling" non-Judaites of their property is an old family practice going all the way back to the Old Testament story in the book of Exodus) we all know what the reaction would be from the usual circles. All persons involved with the publication of such a piece, from the Chief editor at such-and-such publishing house to the janitor to the mail carriers who delivered the subscriptions would find themselves the lucky winners of a first-class ticket to hell on earth as a tsunami of Jewish complaints and death threats would ensue.

When it is a Jew making the accusations however (and even with as inane and illogical as the accusations are) and posing the question in such a way that Christians (or anyone else for that matter) are in the hot seat, well, that's ok. As they have demonstrated on occasions too numerous to count, there is one set of rules for them and another set for everyone else.

It is interesting to note that Mz. Rosin's curiosity in this matter has somehow brought her to the front door of a few Christian churches in America rather than at the synagogues. In the first case, trying to make the argument that somehow a handful of buck-toothed, greasy-headed Christian preachers with the obligatory speech/intellectual impediment causing them to say such words as "nookular" have somehow managed to cause the meltdown of the world's largest and most powerful economy rather than the fact that the lion's share of banking/lending power in the US is firmly in the hands of Jewish interests can only be seen as an example of willful blindness on her part.

But then again, this is how the ball bounces in that peculiar playground known as the Jewish mindset. When one sees the world through Rosin-colored glasses, anything is possible, no matter how inane or irrational. Keep in mind that in the aftermath of 9/11 and how the talk immediately turned to 'WHY?' and some dared state the obvious–namely that it was America's slavish devotion to Jewish interests (land theft and bloodletting) in the Middle East that was responsible–all the well-trained attack dogs from Jewish circles immediately went to work barking out the "they hate us for our freedom" horse manure. Likewise with the recent interview on Larry King Live, where Congressman Ron Paul dared mention the fact that the reason "they" hate us over there is because America has murdered over a million innocent Muslims in the Middle East and Ben Stein immediately has to categorize Paul's comments as–surprise, surprise–"anti-Semitic".

So how is it then that this (assumingly) well-educated woman who writes for some of the biggest newspapers and periodicals in the country comes up with a whopper like this?

Again, it is a very simple explanation–*'By way of deception, thou shalt do war…',* and not just a program of deceiving would-be Gentile victims, but self-deception on the part of the Jewish community itself as well.

As the Jews see themselves, they are the perpetual good guy, beloved by God, incapable of doing wrong. The character played by Jeff Goldblum in the movie Independence Day" of a nerdy, humble, smart, nice Jewish boy who saves the world from a race of maniacal extraterrestrials wasn't put in the script just for giggles. This is how they view themselves, both on a personal and collective basis.

This being the case, when reality does not jibe with the fantasy world they have created within their own collective consciousness, well then reality must be changed. Therefore as the world's economy goes into crash mode and the main characters involved in it all have as a commonality amongst themselves the fact they are all members of the most elite and exclusive of all fraternal orders–meaning they are Jewish, well, then the script simply HAS to be re-written, and therefore, enter stage left Mz Hanna Rosin and her ridiculous piece on how a handful of Christian congregations are responsible for all the economic mayhem.

As overly-simplistic as it sounds, the fact nevertheless is that the Jews are a people who base their entire identity (both on an individual and collective basis) on pure fantasy. For thousands of years they have been nursed on this strange hallucinogenic milk of fairy tales involving forefathers who heard voices in their heads telling them to slay their own children, prostitute their wives and daughters, rob other nations of their wealth and land and wage genocide upon innocent, otherwise peaceable people.

This being the case, what more are we to expect from the Hanna Rosins of the world who try to sell a sow's ear as a silk purse by blaming the world's economic problems on a handful of Christian preachers too stupid to pour piss out of a boot with the directions on the heel? When you are dealing with a group of people who honestly believe WITH ALL THEIR HEARTS the nonsense that the creator of all life in the universe actually holds this microscopic group of self-appointed supermen above everything else in all known creation, why then would they NOT be prone to twisting and bending reality to suit the peculiar vision they maintain in their collective heads? Most people think the reason Jews dominate the business of entertainment and media purely for political/cultural reasons (meaning brainwashing the masses so as to make them more pliable) which is partly true. The truth however is that Jews live in a world of fantasy, which explains why their magnetic pull towards an industry where they can mold reality more to their liking through the artificial means of film and media.

And as bitter a gruel as this latest piece of hallucinogenic journalism is fellow Gentiles, you need to get your gag reflex under control, because as time goes by and the date of Armageddon's completion draws near, you'll look back on whoppers like Rosin's recent piece and see how small they were relative to their larger, more incredible siblings.

Jews and Christians are equally responsible for the mayhem. The Christians have their own lengthy track record of very unChrist-like aggression, greed, materialism, and bigotry. The Jewish 'Chosen People" and the 'saved' and 'born-again' Christians are both possessed by an egotistical superiority complex. Since they share the same depraved values, it's no surpsise that the Jews and the Christians work so well together to exploit, aggress, and oppress vulnerable populations throughout the world.

Beautiful article Mark. I love your stuff. Only one suggestion, you should've titled the piece, "The World Through ROSEN-Colored Glasses".

I'll comment once finished with the article.

Americans will have rosen-colored glasses until there's a revolutionary change.

I stand corrected Mark. I wasn't acquainted with Ms. Hannnah Rosin. personally, I avoid articles written by Jewish authors as a protective measure.

"….they are the perpetual good guy, beloved by God, ….."

You mean, beloved by a God THEY INVENTED. – And a majority of the world fell for this joke.

The sooner this hogwash called the Bible is laid to rest as the work of fiction that it is, the sooner the world will have peace.

I've been investigating all that has been possible over last few years about the Jews and Mr. Glenn in this article reinforces my conlusion, "the date of Armageddon's completion draws near". Because of the Jewish teachings in the Talmud, Zohar, Encyclopedia judaica et al, there can be no other conclusion other than the complete desruction of man because of the vitriol that spews forth and poisons the minds and souls of these unfortunate victums of an anti-Christian, anti-gentile, anti-everyone genocidal idology that these people call religon and fanatically follow. If the Jews weren't given a homeland by none other than God, and were forbidden nuclear bombs mankind may have survived but in all likelihood we're doomed. Only Gods mercy can save us.

From the most respected Rev. Ted Pike News Letter 19 NOV 09

Antichrist Turns upon the Jews

"The Antichrist, however, is assassinated, probably by jealous Jewish leaders. He then rises from the dead in imitation of Jesus and turns with terrible fury upon the Jews. Gathering his confederate nations, the Antichrist, who is called "Gog," comes against Israel and his armies cover the land (Ezekiel 38, 39). Fulfilling Daniel's prophecy, "he will destroy many while they are at ease" (Daniel 8:25), he encircles and ravages Jerusalem, killing two-thirds of Jews within the city. He then desecrates the Jewish temple (the Abomination of Desolation) and sits in the temple declaring himself to be God."

"Surviving Jews are once again exiled to the nations (Ezekiel 39:23, 28). This fulfills God's timeless, oft-repeated law that a nation of rebellious, Christ-rejecting Jews cannot long endure in a land dedicated to holiness. The entire world, insane with fury at what Israel did to enslave mankind, attempts to destroy every last Jew from planet Earth. For most of three and a half years, a Jewish remnant, pursued to every corner of the earth, will face imminent extinction. Finally, at a moment known only to God, Jesus Christ returns, like lightning shining from one end of the heavens to the other. The remnant at last believes upon Him whom their fathers crucified. Christ leads them back to Palestine to occupy His holy land with Him for a thousand years — the only divinely approved national occupation of Palestine for at least two millennia."

This is how I see it playing out. If you are truely a Christian, you have nothing to worry about. It is about them, not us. Afterall, the Rabbis have written that the Gentiles are the children of Cain, offspring of Satan. They turn everything around. All they can do is lie. We win in the end. Let's GO!

If the Jewish rites are holy and venerable, our way of life must be false." 3: "You divide by running to the Jews." 4th Century Rhetor, John Chrysostom. Game Over.

I don't what more can one add to Mark's piece.

He said it all in one go.

We should all be ashamed of ourselves, who pays him to do this?!!. I hope there are some good jews left in this world and make use of what you said.

I hope Mark is speaking as in Figure-speach when he defines the "scape goat story". Please tell me there is no one on earth
who repents in such way.

And why do they make horrendous claims against ABRAHAM as a man
who almost slaughtered his son for God?!!

Abraham did not almost sacrifice his son for God, he did it to show his
unrelenting,deep,truthful,belief,CONSCIOUSLY and subconsciously;

What made Abraham a UNIQUE a massanger of God is refusal to accept an agelic intervention so that they can guide him the way to the ONE and ONLY creator of this universe.

Abraham wanted to do it himself ALONE,making mistakes along the way, he indeed FOUND that ONE TRUE CREATOR of ALL.

Going through Idols worship,uniting all those Idols into One,-
he went to through Nature Worship,the moon he landed on,as an
item of worship,he went from there to SUN worship,the highest and
most productive he could find; from there he realised that there is HIGHER, the ONE and ONLY TRUE GOD, the Creator of ALL.

Right after he found his way to GOD by HIMSELF alone without Angelic guidance, there showed up SATAN, LIVE, to Abraham,after many years of satan's messing with Abraham in his search for God, Satan realized Abraham WON and BY HIMSELF,ALONE in Finding the One True God.

Satan told Abraham in what today's language can be said that it
is your "conscious self" that believes in GOD.

I bet your sub-conscious disagrees with your Conscious self.

Abraham said TRY ME, and see how far i believe.

Satan said, would you give anything for that ONE and ONLY God that you Found?

Abraham said Indeed i would.

Satan said, i know you would not slaughter him for your first born. Abraham was caught OFF GUARD by Satan.

He was reluctant to entertain the Idea, as a Father you would.

As the NATION that he was, he despised the feeling he felt for his son, there he thought SATAN had polluted his belief and he needed to CONFIRM that he indeed believed to HIMSELF FIRST.

That happened in MECCA, when Abraham was visiting his eldest Son Ishmael. He asked his son if he was willing to go for God, Son said take me. There was then the intervention that Abraham REFUSED so much by the Angels, they came to rescue his son Ismael, and CONGRATULATE Abraham.

Today Abraham, you defeated Satan, indeed you are the father of the believers and a Nation.

Abraham was a NATION in that regard, not as RACIAL devotion but as a belief in it's UTMOST beauty and HIGHEST FORM.

Every year, we Muslims salute his belief ,and slaughter sheep
in tribute to his faith at MECCA.

CURSE BE UPON those who say that the Great Abraham prostituted his wife. Curse on them on earth and in hereafter.

"they can mold reality more to their liking", how true!!.

I hear now they changed their startegy in Yemen intervention,
instead of full force they will use limmited intervention,American mercineries in CAMP LUMIER DJIBOUTI
is doing the Job. Yemen is full of CIA and MOSSAD these days,to
start internal conflicts and weaken the country first.

What do you make of the fact that for the last 2,000 years noone has ever questioned the God of the Bible as to why he creates evil? And worse yet, not one holy man has ever called for a group prayer to the God of the Bible to just stop creating evil? Seems to me the key to human survival is to kill he who creates evil, just sayin'…

Isaiah 45:7 (King James Version)

I form the light, and create darkness: I make peace, and create evil: I the LORD do all these things.

The jews created christianity. The christians are blind to their own truth but literally with the "killing of christ" the jews brought forth the events that would create christianity. A few then decided to capitalize on this as well as the up an coming islamic ideologies. Of course they would pit them against each other… it is what lesser humans are meant for right? a mass cock-fight to spill enough blood to usher in their god. you are already in the lottery of death… they engineered the holocaust so that the language used to create the israel state would be legit… also as a test run for you.

I see alot of playing the blame game on here. Blame all the Jews. Blame all the Christians. How about atheistic communists and socialists? How about zionists. See Jews against Zionism websites. There are many innocent people on all sides here! Whatever? But what is the solution? The solution is to return to God through Jesus Christ. Until then, the Bible tells us in the Apocalypse that God's chastisement for sin is war, etc. Read it. Wake up.

#15 by **Bob Hauser** on 01/14/2010 - 7:38 am

I have always said that Christinsanity as I call it, has never been the "opposite" of judaism….but the compliment to it. For example, the jew says "leolom tekach" (Take everything) while the Christian preaches give, give and the GIVE some more until it really hurts…then pour yourself a tall stiff one and go on giving till you keel over dead…..again, the jew says "if a man comes to kill you, rise early and kill him first" (I read that first hand out of the Talmud in a yiddish book store on Geary St. in SF but can't recall the folio citation), whwreas the Christian is constantly invoking the suicidally nonsensical Gospel According to St. Matthew V:39,44 "Resist ye not evil ….love thy enemies, do good to those who hate and despise you". And this is why any of the numerous guises that christinsanity parades under are a total waste as far as any viable movement against the jewish gluttony of the globe.

"Practices which had been long abandoned, in some cases for hundreds of years — imprisonment without trial, the use of war prisoners as slaves, public executions, torture to extract confessions, the use of hostages, and the deportation of whole populations — not only became common again, but were tolerated and even defended by people who considered themselves enlightened and progressive…War is waged by each ruling group against its own subjects, and the object of the war is not to make or prevent conquests of territory, but to keep the structure of society intact. The very word 'war', therefore, has become misleading. It would probably be accurate to say that by becoming continuous war has ceased to exist. This is the inner meaning of the Party slogan: War is Peace."

"Having made what is obviously an utterly damning statement about the Chosen Race its

religion, Renan calmly proceeds to explain that the mission, the historical 'point ,' of the Jews was to tend the small flame of

monotheism and to transmit it, in due course and by the agency of the first Christians, to the western world. Their mission, in a

word, was to infect the rest of humanity with a belief which, according to Renan himself, prevented them from having any art, any

philosophy, any political life, any breadth or diversity of vision, and progress. We may be pardoned for wishing that the Jews had

remained, not forty, but four thousand years in their repulsive wilderness.—Aldous Huxley

I wonder, did it ever occur to Israel that the Muslim nations are descendants of the patriarchal elder brother, the first born? Therefore, the Muslim faith nationals are the true inheritors of the Father's blessing and birthright. Israel has become the modern day Cain in pursuit of the honor of Abel. Ask them about the grandfather Abraham. It is in their Torah. They perpetuate deceit and lies as minions of Satan and covet that which neither belongs lawfully to them, nor legitimately by birthright. Israel perverts their own belief system in a most fundamental way. "Thou shall not Covet". Selah

The ring of truth is in this blog. But I have to say that I am dismayed and saddened by these disclosures and left with a kind of existential aloneness and doom at our prospects.

Christianity, which is now finally Judaized, and the Western power structure and institutions have been dancing to Judaism's and Zionism's tunes for a long while toward the death of Westernism.

What CAN be done? (This is so big.) It's so big and ingrained that it seem something only of the magnitude of a "Second Coming" could turn everything around. We have no control of that either.

For now, a simple return to true Christianity without the Judaistic overlay could do wonders. Lets remind ourselves that those that Jesus railed against, the Pharisees, later His murderers, are linearly identical in spirit to the present day perpetrators of the Talmud.

I am risking here receiving the slings and arrows of the "anti-Semitism" invective. But at some time we must overcome fear of that bugaboo in order to say it like we see it — and like it is.

–JDJ, you are correct, it is much bigger and more insidious than we realized. The revolution to this and its eventual overthrow comes from one person at a time, then familes, then communities, than societies. That is how we do this, and you can take some comfort in the fact that you are doing everything within your power to fight that at the moment.

#21 by **jim** on 01/14/2010 - 3:40 pm

The Jews invented Christianity, at least the modern version. While their synagogues call them the chosen people, the Christian churches tell the goyim that Jews are the chosen people. The first step to defeat the Jews is to rid ourselves of Christianity.

Modern Christianity teaches the goyim that they are born sinners and cannot control themselves. They must invoke a dead Jew hippie, who never existed by the way, in order to go to some mythical place called Heaven. Talk about unreal fantasy.

Instead of becoming more like the Infinite Creator, through personal responsibility (Free Will), Christians accept slavery from the get go. Christians have become easy marks for the Devil's children, and will continue to be feasted upon as long as they follow the Christian path of stupidity and weakness. It was not always like this.

Before the Jew controlled Romans invaded Europe, white people were Pantheists who worshiped Nature, which is the body of the Infinite Creator. Today, this is called the derogatory term Paganism, which is no coincidence when war is peace, bad is good, and parasite vampires are called God's chosen people!

White people must go back to Nature worship and recognize the Devil's children for who they are. The fact that the white race is controlled by a philosophy of weakness, invented by the Jews in the Middle East, is mind boggling. We need to wake up and go back to our origins.

Jim, you say, "The Jews invented Christianity, at least the modern version."

I think you are half right. Coincidentally, Makow's "Judaized Christianity" is also currently on Rense and this speaks as well to the problem now in discussion.

I don't believe Jesus was a Jew, but a Nazarene. And if you read him carefully he gave hell to the Jews of his time, the Pharisees. But the Jews did indeed give us the modern version, and to see how they went about it over 2000 years, see the "Plot Against the Church", capped off by the Vatican II council of the Freemason Pope John XIII.

But again, I believe that if we were to clean up Christianity to its original intent, that in itself would go a long way to overcoming these current problems with the "in your face" Judaism.

Jim I've been trying to point out the same thing, perhaps in different words. I don't blame the people, I blame the RELIGION for brainwashing the people. "Religious" people wouldn't act the was they do if their religions didn't bid them to. Christianity, Judaism and Islam all – products of an ancient people who invented a god – just as the Egyptians did.

"….recognize the Devil's children for who they are….."

The "Devil" is a religious INVENTION also. It is the demonized version of PAN, supplanted by christianity in the 4th century.

There is no evil "being". Just as god claims, He created good and evil – they are he opposing natures of man. The yin and the yang, the light and the dark. The devil only exists within the human mind and manifests through their actions – like Gaza, and Pat Robertson's statement on Haiti.

I'm one of those who says the Vatican is knee -deep in this, however, it is difficult not to note that Ratzinger – is a Jew (and was in the Hitler youth as well. I think the fact that the nazis and jews both believe in a master race to lord over all the unwashed is an ingnored parallel, and the fact that Hitler, Himmler, Mengele and plenty of others – were also Jews)

Then the other seat of Western Power – England/UK. The Windsors (the "royal" family believe themselves to be descended from Jesus via the mythical Merovingian bloodline and thus King David, and this is why you often hear of Charles or William being tossed around as some sort of "future god-leader") are crypto-jews and between ENgland and the Vatican , they built up a monster in the Rothschild clan – who are the top "public" Jews – and whom funnel billions (trillions?) to media, banks, war machines, bribes of political leaders, organization, leadership and funding of secret socieites like the freemasons and jesuits.

These three seats of power, take your pick on who's at the top – it doesn't really matter anymore – they all need to be exposed ASAP. The common man thinks the US prez actually has power but they vet and prepare thrse guys for 10-20 years before forcing them thru our corrupt party system and giving them the "media blessing"

The leaders and power strucutre need to be exposed. Just exposing the masons to where they would have to leave out of every town in the US would damage them TERRIBLY. No longer could they then run local elections, judges, police, LOCAL POWER in every place.

Todays Jews have little to nothing in common with the "people of the book" and have used tenets and orthodoxies which they invented to give themselves a built-in superiority and so-called "divine right" to own and pillage the masses at will.

If mankind is to ever be free , this power strucutre must be completely removed. If there is ever a revolution, technological advances in lie detection must be utilized in-depth to remove their snakes from our ranks permanently. No longer can we let the efforts and energy of true heroes be wasted by giving the power right back. Like in 1776 when we had a bunch of freemasons loyal to England set up a government where they still have absolute power over all men.

If their global slave system is not stopped soon, there will likely be hundreds of years of no hope whatsover until they finally collapse upon themselves. If the 3 main power bases are not turned against one another we will likely lose.

To me, the absolute things that must be stopped – freemasons and the MEDIA. The MEDIA is why everyones so damn dumb.

#27 by **F ALL GOVERNMENTS** on 01/14/2010 - 7:18 pm

and also regarding "Christians" – ALL of their leaders are freemasons, what do you expect that their sheeple believe this crap re: the chosen, that this is somehow a good nation because its name matches an old nation from their book?

I am as disgusted and tired with my fellow "christians" as anyone but they know not that their leaders are literally ravenous wolves in sheep clothing – who go pray to Molech or that goat (cant rememebr his name right off) after they leave from brainwashing the sheep.

Jim, I'm so glad you pointed this out!!! The only logical thing to do is for all of us white folk to turn to worshiping the earth. This act will ensure that evil's reign o' terror will crash down. So stop worshiping a "dead Jew hippie, who never existed by the way" and start kissing some turf and return to human sacrifice before it's too late!!! Also, kill all Christians. Yes, this is the only way people!!! PLEAZE LIST3N TO ME IM SPEAKIN ON THE INTERNETS FROM MY TREE HOUSE IN THE WOODSZ!!!

The GOAT of Medes – Baphomet….

I am just finishing up the book Jerualem by Collins and Lappeire
written in the 70's about the players that were prepared to secrure a home-land that was designed back during Balfour Declaration. Irgun and Stern gangs were not entirely welcome to help, though some had trained with the SS before and during WWII.
Assassins and atrocious, their thinking has to a large degree
completely hung since then, like an Albatros digesting anything about Israeli's or those Judaic Jews who believed in a homeland. and derided the semblence of even a sense of humanity.
They have indoctrinated and lied and believe their own lies so fully we won't be a bit suprised that the finger will come down upon any of the Muslim world, the Christian world and then the Jewish world in the end. It will be for this cause the Illuminati will have accomplished through Monotheism the making all of us a scape-goat. We will not be welcome on the planet.

Your reading of the Old Testament is selective. You overlook all the condemnation against the Israelites for the very sins you decry.

#34 by **jim** on 01/14/2010 - 10:36 pm

The New Testament was written by Jews, and the Romans doctored it to allow pagans to join. They initially forbid idol worship and then relented. They also made Sunday, from Saturday, the day of worship to accommodate the Sun worshiping pagans (about the only sensible thing they changed).

The Christian Church is all about controlling you and every one else. The entire myth of the Infinite Creator incarnating as a Human, in order to be slowly tortured and murdered, to pay for a sin invented in the third century is worse than a Marvel comic book! Newton's third law, "every action has an equal and opposite reaction", has its corollary in the concept of Karma.

Modern Christians clearly do not believe in Karma, because they have told me numerous times that they can lie, steal, and even murder (a minister too) as long as they believe in Jesus, in order to go to Heaven. Of course, as soon as you make the mistake of questioning a holy roller about this, they curse you to Hell, which must be Heaven if they are not there. Is it any wonder that the Jews spit on goyim?

It should be obvious that the Human Race was directly created by the Sun and Earth, but Christians believe that they just appeared out of no where a few thousand years ago. It says so in the Bible (a metaphor actually), which was written by Jews, so it must be true! Children worship their parents, when they used to have two of them, so why is it so ludicrous to worship the Sun and Earth?

It is no surprise that the Christian Church tells you that even your parents are worthless compared to the Church. Sounds like Communism or some other totalitarian regime to me, but please be my guest and spend your lives as slaves. Mastery comes through the exercise of Free Will and the two laws: seek the Infinite Creator in all things; and treat others as you treat yourself.

Islam expressly forbids the practice of usury, but not Christianity.

This is why organized Jewry was able to gain control over the Christian nations with relative ease, but not the Muslim ones.

The Rothschilds and other Jewish bankers (acting on the biblical commandment to use usury as a weapon against non-Jews) are now the de facto rulers of the Christian world as a result of Christianity's failure to oppose this insidious form of economic parasitism.

Here's a page that gives a fairly accurate historical account of how it happened:

Dear Mark. Some consider the following statement from holocaust "expert" Robert Jan Van Pelt about the 'holocaust as unremarkable….

"Ninety-nine per cent of what we know we do not actually have the physical evidence to prove . . ."
-Robert Jan Van Pelt

full article from The Toronto Star, here:
http://www.thestar.com/news/insight/article/742965--a-case-for-letting-nature-take-back-auschwitz

Evidence of the extermination of the Jews on the level of that provided for Katyn was never offered. It was always based on the political capital of the victors, and now that is running out, police enforcement.

Belief is always anchored to an emotion. Fear works. Hate works. Guilt works. As long as people identify with the collective, they will believe in shared and inherited sin and obligation. They will also claim a vicarious sense of accomplishment from the work of other with whom they identify. Many young adults have no personal recollection of the Cold War, much less WWII. The strong emotional connection to the 1930's and 1940's is dying. In another decade all that will be left is fear of police enforcement and residual religious attachment to this myth. Though revisionists have worked long and hard to overturn the hoax, I expect it will ultimately outlive its usefulness and die of old age.

The Holocaust has always been a matter of faith. Those promoting it never felt compelled to provide evidence, and pretended offense when asked for any. Look at Treblinka, Sobibor, Babi Yar, Chelmno, Belzec. There is no there there. There being something left of Auschwitz and Birkenau has always been a liability for the promoters of the faith. It is easier to believe in something that doesn't exist than to believe that something is other than what it is because a blank canvas is open to any image that can be painted on it.

How is the average believer able to reconcile Van Pelt's statement? "average" believers being the ones who learned all they needed to know about God at Sunday school.Those who have never read any "bibles" about the "holocaust", yet naively considered it to be one the most documented events of the 20th century. They never asked for physical proof, and felt no need to. Why would "god's people" lie?

People are still arguing … what exactly is a Jew?

In the sale of fine wines, we have this concept of Appellation [Farm/Vintner/Village] Controllée — for example Appellation Rothschild Controllée.

As for what is a Jew, you have similar idea of Appellation Uterus Controllée.

One wonders if it's wine alone that the "Jews" are drunk on when they proclaim themselves the Chosen.

Guns don't kill people, people kill people. Religion doesn't cause wars, people cause wars. At an earlier time of my life, I'd ask those people i admired righteously for their perception of my choices acted from all they'd known biblically. I finally acknowledged my reasons for asking others, was due to my lazy mind. The bible is a book of poetry and poetry is abstact. In reading poetry, every individual mentality can have a different, yet relative perception. Desires encourage someone to write their own unique story of life. Through dream, everyone is entitled to direct their own life. The art of abstract, made seperate experiences similiar to the poetic lyrics performed by another individual singing song. As our differences transpire, mankind Imagine. Within this time of revelations, we are surrounded by all kinds of inspiration. For humanity, God creates opportunities. This is delivered to gift us choices, so that everything becoming, is made by all we decide. In a world constantly describing confusion throughout the majority of it's population. Priorities are organized by the emotion that grows from wisdom. As each individual finds strength to will freedom, soul describes truth as important worldwide. Today, I find the answers I'm looking for, by only completely believing all I witness with my own eyes and ears. Changes surface to mature memories. Following my heart, I find characteristics of Harmony by deciphering deceptions provided from magik. With the evolving details of Faith, I embrace beauty, finding reason to believe in miracles.

reading all you peoples posts has convinced me further that waking upto the reality in the western world is in full swing!
we can all see and read about distorted history by these misfits of the human race called jews, please consider especially christians that these folks have never listened to any messenger of god except to a extent moses (pbuh) TO REJECT GODS MESSENGERS IS TO REJECT GOD!
these followers of the devil will only do devilish things as is apparent in the world today.
what is also apparent is their total control of western affairs politically and security arrangements so that false flag operations can be carried out easily and blamed on muslims!

how long did it take these jews masquerading as christians to take over the western world? a government within a government?

over the last few years these thieves and robbers have managed to steal tens of TRILLIONS OF DOLLARS from the western world in so called bail outs!!!
if we the taxpayers were to be given £40,000 per person as the cost of bail out we are going to be paying for to the jews, the western world could buy the world and help recover from economic depression quickly.

the prophet mohammed has foretold, the wars to follow with the jews and their demise at our hands, if you care to read them.

1/3rd of the muslims will die in this war (600 million) 1/3rd will die in a natural catastrophe, 1/3rd will achieve victory over all pagan forces and usher ina period of peace and prosperity and end all tyranny ,oppression.

you people have to understand, muslim countrys are also under oppression from the agents of these devilish people, like gold in its pure state we muslims are underneath the slag floating on top of it until the time of reckoning will come!

take heart, believe in god, father in heaven, not any man or monkey or idol, nothing happens without gods will, the ruler of this earth and universe. he will give rope to the devils agents to hang themselves so that the matter decreed in his affairs will find their eventual end for goodness to reign!

peace to all believers— muslims are not your enemies!!!

It would appear to me that the Bible is true in the sense that it exists and holds many truths, however, it was obviously written for an ignorant (to their origin) mix of humanoid mammalian creatures as a command and control manual. I don't know about anybody else but I don't particularly buy into the life of servitude/slavery it takes to be a good Christian and make it into to Heaven.

The eternal damnation for non-believers is pretty harsh and gives me pause as I ponder what we really are. If you read the Bible as is without changing words to fit a preconceived perception of God, the God of the Bible is an unsavory character. What, with all his demands for sacrifice of all things we semi-hairy mammals hold dear, while at the same time allowing these so-called chosen P'sOS to rape, loot, rob and utterly destroy all things good.

I'm not a bad person or an evil person but I don't want to go to Heaven if the God of the Bible is there. So in order for me to be accepted I have to ignore the fact that the God of the Bible iS a jealous being (jealous of who/what?) who claims to be just and righteous and full of mercy? Justice, righteousness, and mercy? He describes himself as possessing all of these qualities and at same time creates the very evil that has destroyed 100's of millions of lives.

And just what the hell is with his preference for herders over farmers? Then we have the story of the serpent committing a sin by allowing us the ability to learn (gain knowledge)? I think we have been taught to worship the wrong God. I believe there is intelligence behind the creation of the Universe but the Bible is not its (the creator of the Universe) story/word.

Religion in all its forms is based on worship and sacrifice, no thanks. I'll just keep working to sustain my family and help, when I can, those who are less fortunate. I promise the creator that I will never bow down and worship anyone/thing.

All of the people here railing against Jesus Christ and the Bible are the ones who are MOST manipulated by anti-Christ FAKE 'Jews' !

YOU are spouting off nothing more than the SAME OLD Communist, atheist propaganda developed & taught in public schools by FAKE 'Jews' in the USSR after the ('Jewish') Bolshevik revolution – to try to destroy Christianity there…

But guess what? – It FAILED there… and it will fail HERE – because the TRUTH cannot be hidden from those who SEEK it !

If you are reading this and you believe that:

1) 'Jews' wrote the Bible…

2) 'Jews' invented Christianity…

3) Jesus was a 'Jew'…

Then you REALLY need to educate yourselves more ! If you believe these things today – and associate them with the FAKE 'Jews' of today (whose actions and false UN-BIBLICAL beliefs you SHOULD have a problem with) then you will MISTAKENLY also have a problem with Christianity and the Bible…

This way – THEY have (Lucifer has) won !

You all say you have a problem with todays 'Jews' (FAKE 'Jews'), but at the same time – you PARROT the atheist nonsense which THEY want you to believe, so that you abandon Christ and the Salvation of the ONE true God – and therfore they have (Satan has) WON !

Understand now – that the ideas you put forth are RIDICULOUS and if you KNEW the truth, you'd be embarassed for writing what you have…

Pull your head out, people !

Destroyer (of Dogma?),

Re: your post from Jan 14 @ 6:59am…

"Wow ! You ARE the first one to think of that ! You must be a genius !"

Just kidding. Look… The verse you put forth from Isaiah means:

Humans are born with free will (the ability to CHOOSE). But if a human CHOOSES to disobey God's Word and BECOMES evil (they weren't born that way)… that does not change the fact that God created them in the first place.

Just in case you might think that evil creatures were created by Satan or some other – this tells you that God created EVERYTHING and EVERYBODY… and that there is NOTHING and NOBODY which the One God did NOT create.

— — —

Ken,

The ‘Jews’ persecuted and killed the first Christians ! They tried to ERADICATE Christianity.

‘Jews’ did not invent Christianity ! ‘Jews’ are a REACTION to Christianity !

Christianity is the FULFILLMENT of the Old Testament Scriptures WRITTEN CENTURIES BEFORE CHRIST WAS BORN, and foretelling His birth… while ‘Judaism’ is the REJECTION of the Scriptures and prophecies which were made whole in the birth, death and resurrection of Jesus the Christ.

— — —

Dolorosa,

Just because some ‘Jews’ are against Zionism… don’t be fooled into thinking that these Naturei Karta are good innocent ‘Jews’ that only read the Old Testament…

Don’t be fooled into thinking that these ‘Jews’ are anything other than what they are – anti-Christ ! When these ‘Jews’ say that they are ‘Torah true’… they really MEAN: ‘TALMUD TRUE’ !

ALL religious ‘Jews Against Zionism’ are STILL Talmudic anti-Christ ‘Jews’ ! The only difference is: they would rather live amongst us than go to Israel. For many the main reason they want to stay in our midst is this:

All parasites need a host.

Re: “don’t be fooled into thinking that these Naturei Karta are good innocent ‘Jews’”

It’s true that they still believe in Jewish chosenness, and all the other Talmudic trash, but the point is: they believe that eventually the entire world will be Judaized in the natural course of events, not by scheming and domination. They can belive whatever they like. (As long as we’re not slandered as ‘antishemites’ for pointing out what they believe.)

Also they really do “live apart”, not like the hypocrites like Katzenberg, Satanyahoo, Emanuel, Boteach, Prager, Kristol, etc, who preach “tolerance” and “universal human rights” and “secular values” when it suits them, but always keep their own ‘tribal’ interests first.

#46 by **Destroyer of dogma** on 01/16/2010 - 6:01 pm

P sun,

I also don’t buy into self chosen titles of status like father, brother, sister, son.

I don’t care if you call me a jew or atheist or a christian. The fact that you can only “fix” the bible rather than take god’s word at face value tells me you are a false prophet.

If you beleive that your god creates all things (except evil, of course) then why do you go against his will by passing judgement upon moi?

Your god is a black man, at least the fleshly part you call jesus, the spirit parts are white, how do I know? Many white christians have told me so.

#47 by **The Prodigal Son** on 01/17/2010 - 12:47 am

Jim,

You said, “The Jews invented Christianity, at least the modern version.”

Now we’re getting closer to the truth… you have just unwittingly revealed the KEY to all of this. Jehovah’s Witnesses, Mormons, etc. WERE invented – but these new ‘denominations’ are not true Christianity; nor are any of the modern ‘versions’ of ‘Christianity’…

But the authentic original is still around !

You also said, “The first step to defeat the Jews is to rid ourselves of Christianity.”

Are YOU a ‘Jew’ ? Because coincidentally Jim – THAT is also THEIR plan of attack ! (See: Protocols of Zion). “A dead Jew hipie, who never existed by the way.” ?!?

Listen – NO educated historian seriously asserts that Jesus of Nazareth never existed ! If you want to say that He wasn’t God incarnate – that’s one thing… but to declare that the historical human Jesus never existed – I’m sorry but that’s just foolish !

Even the ‘Jew’ run Wikipedia page for ‘Jesus Christ’ says He DID exist… and offers plenty of proof of that FACT.

Real Christians in this world use their God-given FREE WILL in order to do GOD’S WILL… you are become anti-Christ – so WHOSE will do you do ?

‘Jews’ controlled Romans ? WHAT ?!? Romans did not CHANGE the day of worship from Saturday to Sunday ! Christians (since Pentecost) have always met on Sunday (The 8th Day; The Lord’s Day): the first day of the week – to pray, and partake of the Eucharist (Lord’s Supper).

This is because the Resurrection of our Lord took place on a Sunday. Rome made Sunday an official Roman Holy Day because the Christians were already treating it as such. (see Acts 20:7, I Cor 16:2)

If the Bible is nothing more than myths as you say – then how to explain all of the prophecies that subsequently came to fruition ? The prophecies of Daniel (written approx. 600 BC) ALONE were amazingly accurate (and are very hard to explain away).

~~~ ~~~ ~~~

James De Juste II,

Yes ! Everyone should read ‘The Plot Against the Church’… Maurice Pinay’s work helps us to better understand all of the pedophilia and lies (BOTH of which are implicitly condoned in the Talmud)… Henry Makow also touches on the history of our root problem ever-so-briefly here:

http://www.henrymakow.com/nwo_introduced_under_masonic_g.html

(Excerpt:) “Your churches will be used to teach the Jew’s religion and in less than two hundred years the whole nation will be working for divine world government. That government that they believe to be divine will be the British Empire. All religions will be permeated with Judaism without even being noticed by the masses, and they will all be under the invisible all-seeing eye of the Grand Architect of Freemasonry.

(…)”Darby and the Plymouth Brethren brought a Jewish Christianity to America. Masons Rutherford and Russell started Jehovah Witnesses’ Judaism which is now worldwide with their message of the divine kingdom. Mason Joseph Smith started Mormon Judaism with its Jewish teaching of millennialism.”

Re: “cleaning up Christianity to its original intent”… The original has always been there and has never changed – no cleaning up needed ! Eastern Orthodox Christianity IS ‘That faith once delivered to the saints’.

(Last one Mark…)

AmerikaGulag,

“The devil is a religious invention also… supplanted by Christianity in the 4th century.”…

Where do you get this nonsense ?

The English word ‘devil’ in the New Testament is from the Greek word ‘Diabolos’, meaning:

‘A calumniator, false-accuser, slanderer… metaph. applied to a man who, by opposing the cause of God, may be said to act the part of the Devil or to side with him.’

So WHO is the Devil ? The word ‘Satan’ comes from Hebrew (!tX) meaning:

‘Adversary, one who withstands, super-human adversary, Satan (as noun pr.).’

In the Garden of Eden, Satan was the serpent who deceived Adam & Eve… as revealed here:

“So the great dragon was cast out, that serpent of old called the Devil and Satan, who deceives the whole world; he was cast to the earth, and his angels were cast out with him.”
– Revelation 12:9

The English word ‘Devil’ appears first in the New Testament (originally in Greek), but the word ‘Satan’ is from original O.T. Hebrew and appears first in I Chronicles (written approx. 450 yrs BEFORE Christ), and means:

‘- Adversary (one who opposes another in purpose or act), the name given to the inveterate adversary of God (and therefore Christ).
– He incites apostasy FROM God and TO sin, circumventing men by his wiles.’
– The worshippers of idols (I.E. ‘Mother Earth’) are said to be under his control.
– By his demons he is able to take posession of men and inflict them with diseases.
– By God’s assistance he is overcome.
– A Satan-like man.’

~~~ ~~~ ~~~

F ALL GOVERNMENTS,

Rothschilds ('Jews') control BOTH the Vatican and the 'British (sic) Empire'… There are not three seats of power – there is really only one, and fake 'Jews' control the other two 'seats' you mentioned as well.

Jade D,

Good one !

D.O.D.,

'Self-chosen titles of status' ? 'Prodigal Son' indicates my return to God the Father, not some worldly status ! And what of your 'title' – D.O.D. ? Is it not 'self-chosen' ?

'False prophet' ? I am no prophet and I have never claimed to be !

"Fix the Bible" ? WHAT are you talking about ? YOU asked a question about Isaiah… I didn't have to 'fix' anything… I merely explained it to you from an Orthodox standpoint, because you CLEARLY DO NOT UNDERSTAND what you're reading !

I SAID that God created EVERYTHING & EVERYBODY ! Evil is energy; evil is an attitude; a frame of mind… evil is the MIS-USE of God-given free will, by those who have been fooled into thinking that evil is 'knowledge'.

HOW have I passed judgement on you, praytell ? You asked some general questions and I answered them as best I could – so what's your trouble ?

God is a black man ? It would not bother me If He was… but there is nothing in Scripture which suggests that to me… So – why don't you PROVE IT ?

The flesh of Jesus was black – but His Spirit was white ? Now you're just talking out the other end ! I don't know what kind of 'white Christians' you're talking to… but maybe you should ask them HOW they know what color the Spirit of God is… and WHY it matters to them AT ALL…

Henry Makow has a HUGE blindspot. He will not tolerate ANY input from what he calls "holocaust minimizers". Careful with that axe now Henry. C'mon bro!! The memorial plaque at Auschwitz USED to commemorate the death of 4 million Jews who allegedly perished there. Today it commemorates the death of 1.5 million. For some, there is just NO revising of the articles of their FAITH!

Would anyone happen to know if Hanna Rosen is related to Steve Rosen, the Israeli spy? Oh wait, they are all related. Never mind.

#53 by **choronzon** on 01/19/2010 - 1:45 am

"minimizer" or "denier", they try to paint me as a neo-nazi at best or an "anti-semite" at worst. The neo-nazi label is really tiring…and pathetic. Why would a "nazi" DENY the holocaust!?!?! fear of paying billions in reparation payments? fear of being stereo-typed and maligned? Fear of having his country partitioned and subjected to communist domination? Given the hateful caricature that hollywood has churned out of the bloodthirsty German, one would think that WE WOULD BE PROMOTING the alleged extermination of…."6 million jews" in a manner similar to the joke that goes:

"what do you call 1000 lawyers at the bottom of the ocean?"
"a good place to start!!!"

THE MYTH WILL FALL!!!!!

I admire the tenacity of Prodigalson, more and more christians
like you are needed.

I say that for your defence of God from the slanders of those
who want to replace him, those feeble creatueres with the huge
arrogance.

I am of different school, the Islamic school of thought in regard to SATAN .

In Islam, Satan is not an adversary to God, if he was he would
not have existed to begin with. NOTHING, no being is adversary to God, they ALL exist with God's permission.

Satan, in Qur'anic teaching was one of the angels, one of those
angels that were devout to God .

God had decided to create MAN, and he did from clay of all things.

Behold thy Lord said to the angels: I will create a vicegerent on earth. They said Wilt thou place therein one who will make mischief therein and shed blood? Whilst we do celebrate Thy praises and glorify Thy holy (name)? He said: I know what ye know not.

And He taught Adam the nature of all things; then He placed them before the angels and said: Tell Me the nature of these if ye are right.

They said: Glory to Thee of knowledge we have none save that Thou hast taught us: in truth it is Thou who art perfect in knowledge and wisdom.

He said: O Adam! tell them their natures. When he had told them Allah said: Did I not tell you that I know the secrets of heaven and earth and I know what ye reveal and what ye conceal?

And behold We said to the angels: Bow down to Adam; and they bowed down not so Iblis (satan). He refused and was haughty he was of those who reject Faith.

We said: O Adam! dwell thou and thy wife in the garden and eat of the bountiful things therein as (where and when) ye will but approach not this tree or ye run into harm and transgression.
(Qur'an: Translation of the meaning, 2:30-35)

God orders the angels all to BOW DOWN for ADAM, his new creation,
the one he taught THE NATURE OF ALL THINGS.

All angels bow down to Adam, except one angel, he has objections
to it…………..

Allah) said: What prevented thee from bowing down when I commanded thee? He said: I am better than he: thou didst create me from fire and him from clay.

(Allah) said: Get thee down from this: it is not for thee to be arrogant here: get out for thou art of the meanest (of creatures).

He said: Give me respite till the day they are raised up.

(Allah) said: Be thou among those who have respite.

He said: Because Thou hast thrown me out of the way lo! I will lie in wait for them on Thy straight way.

Then will I assault them from before them and behind them from their right and their left: nor wilt Thou find in most of them gratitude (for Thy mercies).

(Allah) said: Get out from this disgraced and expelled. If any of them follow thee, Hell will I fill with you all.
(Qur'an: Translation of the meaning, 7:11-18)

From the Qura'nic verses above ,one can gather that the dispute
is not between GOD and SATAN, it can't be and SATAN knows that.

The issue is thet SATAN is rejecting the supreiority of Man created from Mud over him created from fire.

He is jelouse of Man and wants to PROVE TO GOD that his concerns are real, therefore he is asking PERMISSION from GOD to give him
TIME to prove it to him what kind of creature man is.

Give me some time Satan requests from GOD to show you that this
gene of ADAM is a Blood shedder.

GOD gave permission to Satan to follow Adam to earth and prove
if this beuatiful creature that knows THE NATURE OF ALL THINGS
is going to be tricked by this Pathetic Satan with the limited ability.

The other issue Islam has against the teaching of our christian brethren is that they accuse SERPENTS and WOMEN in conspiring against Adam, thereby giving a bad PR to both :).

#55 by **Arabia Felix** on 01/19/2010 - 8:10 pm

In Islmic teaching ,Eve and serpents did not trick Adam into
eating the forbiden fruit,they (Adam and Eve) both ate it,and
they were destined to eat.

There is NO such thing in Islam as the ORIGINAL SIN,no.

Earth was created by God for Adam and Eve to descend upon,
they of course caused the reason to be thrown out of heaven
by their own will,but they were destined to,therefore no eternal sin for them.

The strangest fellow here in this forum among the disbelievers
of God is our good friend AMERIKAGULAG.

Here is a person who believes he can and WILL reincarnate himself, while he has difficulty in believing in Diety.

He does think he can reincarnate himself whilest HE CAN NOT stop
his hert for ONE HOUR and restart it by his own.

When he can't do that in life, i for one do not know how is he
going to manage reincarnating himself when he is rotten dead
without any help.

Just don't know.

There is one of ours ADAMITES, that incabable,un-knowing to
nature of all things,pathetic SATAN won over.

May you come back to your supreme race,the Adamites,the knowing of the nature of all things – kind.

#56 by **Arabia Felix** on 01/19/2010 - 8:22 pm

BTW, in Islamic theology, Satan can take every form, he can be an
energy (for lack of better word) that can enter through your
blood stream.

MAN with his deeds can be higher than Angels in status and with his deeds go the LOWEST of the LOW.

Both by his choices to make, God interferes in the deeds of
man on this earth ONLY when he wants to,and in the hereafter,
he forgives the transgressions against HIM if he wants to, but the trangressions of man against other man and creatures are
done JUSTICE by him,even a goat hitting agains other goat,as prophet Mohamad (pbuh) described.

God doesn't interfer the choices of men here on earth WHEN username DESTROYER OF DOGMA wants to and DEMANDS about.

Arabia Felix, in response to your post concerning Satan, I found it very interesting indeed. I would like to ask you a question if I may?
Have you ever heard of the Serpent Seed Doctrine? It was common some years back but there seems to have been a concerted effert to hush it up. If you present it to a Christian Zionist, they go haywire!
As I understand it, Satan "beguiled" (Sexually Seduced) Eve in the garden Of Eden. From that union, she born Cain. She also "ate of the forbidden fruit" (Sex) with Adam and born Abel.
Some say it was a case of Heteropaternal Superfecundation and some say they were not twins by seperate fathers but that Abel was born later. Either way, the jist of the story is that Cain was the offspring of Satan and Abel was the offspring off Adam.
What does Islam say about that?

#60 by **Arabia Felix** on 01/22/2010 - 8:21 pm

Doug,

At first i thought you were joking,since i know you to be the only one here on theuglytruth to say the funniest of jokes.

Women mating Serpents!!!! Not a pretty scene,would you agree
my friend? No, i did not hear this one before today, i heard others, such as the abhorent lie against the Father of Monotheism Abraham (pbuh) and how they satanically accuse him of P*r*Ostituting his wife. I also heard the sickening lie they
make agains LOT (Pbuh) and how he mated his daughters.

I am being honest to you when i say to you that as a Muslim, it is heart breaking for me to even repeat that in a counter argument. It is considered an abomination in Islam to make such claims a blasphemy.

No Eve didn't mate a serpent, she couldn't even if she wanted to.

Cain and Abel are born on earth not in heaven.

Serpents are creatures of earth,animals were on earth before man,
they were highly advanced than man at the time.

The Qur'an talks about how Cain did not know what the Raven knew and was able of. Today we know of animals who dispose waste in
an advanced manner, in those days where Animal kingdom ruled,
you can only guess.

When Cain kills his brother Abel, he is nothing but a PRIITIVE creature. He doesn't even know how to dispose the corpse.

Here we see an advance raven doing the job for him, and the Qur'an cites how he admits his primitivity.

Below is a verse from the Qur'an….

He said: Woe unto me! Am I not able to be as this raven and so hide my brother's naked corpse? And he became repentant.

Doug,

I also heard another one, Correct me if i am wrong.

I heard what the Jewish books write and Christianity agrees with, and that is what they call the "curse of cain".

In that they believe Cain fathered the Black race and therefore
what happens to the Blacks is just due to that curse and nothing
to do with the perpetrators of the crimes agains them!!!!!!.

In another i read that they are cursed by NOAH,because their ancestor didn't cover the naked Noah!!!!!!!!.

Those sickening stories full of sexual perversion seems like
they were written by Perverse, over sexed, over bored Rabbis,
the likes of whom can only be the ancestors of modern day Hollywood Porn King pins.

Such things have no place in Islam, for ALL MEN are created EQUAL. No one carries another's curse, only what you do is what
you are responsible of.

In Islam, man can go THE LOWEST of the LOW,equal to Pigs and Monkeys, Man can also go higher, to the level he is meant to be when God ordered Angels to BOW DOWN for Adam, the highest of all creatures.

The Person Jesus (pbuh) represented how man can go that high,
the examplery of the spiritual man. Jesus is just a Person in Islam,he is NOT God, NEVER CLAIMED to be one.

#61 by **Arabia Felix** on 01/23/2010 - 2:20 am

Doug,

Islam teaches that all creations of God are in a state of
SUBMISSION (the term submission is one drived from the word Islam), All are submissive to God naturally except MAN.

The Stars,the mountains, animals and Angels are submissive, they go round in a set of rules in which they have no choices to make, that they can never be unsubmissive.

MAN is the only creature given the power of Choice, nothing
restrains Man, he can choose to deny the existance of God or Submit to it; all his choices to make.

Angels don't have that power, Satan did not have it, he did not deny the existance of God , he was jus jelouse of Man and did not think Man was worth to be endowed such a heavy honour.

Satan by recieving permission from God to follow Adam to earth
to prove his point, he knows he has limited time,the more Adamites he gets the better chance he stands in front of God.

The issue of Satan was never one of which he himself denies the existence of God, it is one that he wants Man to deny God and abuse the POWER OF CHOICE bestowed upon him.

He is envying man the knowing of the nature of all things, he believes that man will abuse the power of knowledge and his mission is to prove it.

In Islamic theology Satan is creation of God and he is on earth with permission from God.

God and Satan are not in competetion in Islamic school of thought, they can't be; one is the creator and the other a creation of his.

Arabia Felix,
Thank you for you view on this. I personally believe that Satan was the Serpent spoken of in the Garden Of Eden. It was not a literal "snake." No more than what he offered Eve was not an apple! He may have told her she was the apple of his eye, as he was laying his line down on her. He goes by many names. Dragon, Serpent, Lucifer and others. Maybe it is one entity or maybe there are more than one, I don't know but, I think the Serpent was Satan and he beguiled (had sex with) Eve and begott Cain. Cain was the evil natured seed line of humaity. Then,she had a child by Adam, Abel. Abel was the direct Godline of humanity. Cain was expelled from the garden and went his own way. Seth, the second son of Adam and Eve, began their line of human decendants. There are many people that have identified the different tribes and how they progressed throughout time. That is a major study in and of itself. The point I am trying to make is that Satan was allowed to corrupt the seed line of humanity, thereby creating the enemy of mankind, planted right here amongst us. They have been destroying everything we have ever built. They subvert the moral standard and lead us into war, proving as you say, Satans proof that man is destructive and not worthy of such high standing in Gods eye.

#63 by **Arabia Felix** on 01/23/2010 - 3:51 pm

"He may have told her she was the apple of his eyes" :).

You are quite witty Dog, i also found amusing the letter you
wrote to your congressman and the "neurotic" babtist.

Is this something you believe because you have dug deep down into
the books or this is what every christian should take as an article of faith?.

So you in earnest believe that some humans are descendents of Satan!!.

Humans are Carbon based creatures Dog, Satan is creature of fire,
the two can't physically mix.

And if you believe in this , do you not think that this theory
takes the blame from those humans that are evil doers?

All they have to say is this is out of my control, i am of Satan after all.

And as you say "those who have been destroying everything we have ever built", if i am not wrong you mean the Joos :).

No,I have to disagree with you, they are not descendents of satan, they are just fooled by him.

You see Dog, the trouble with the Jews is that they are not free people. They all think alike, talk the same, want the same things. They are hostages to the evil teachings of the Rabbis.

Christians disagree,so do the Muslims, they think freely,they can take losses and go on with life.

Not the Jews, if you ask them today,-what is it that you want we will give it to you,all of it,they don't know.

Give them Israel and little more,it is not satisfying for them.

They are never content,not even with their religion, it is not stable theology, it changes every day perhaps,to neww direction,
to crazy made up beliefs.

Burning souls, unhappy and discontent,- is that of Satan,yes.

Are they the seed of Satan, NO. They need help and no one can help them. Somehow i blame Christians in the disasters they are
causing. Christiandom had availed dangerous technology and wealth on top to them, and they are never known to be responsible with power.

#64 by **Arabia Felix** on 01/23/2010 - 3:53 pm

Sorry, it should have read DUG instead of DOG.

But hey, what do you know, ancient Arabs named sons KALB,-
Arabic for Dog. Nowadays it is not considered polite.
